

Welcome to Lake Community Church

We are glad that you chose to be here today. Already on Sunday morning, you have made an important decision, possibly the most important decision of your week. Whether you come regularly or you are just getting started, choosing to seek God and seeking a community of people who are doing the same is likely the best decision you can make because it has potential to change the rest of your week and the rest of your life. So your week is off to a great start!

We would love to get to know you more and help you make some next steps. Whether you are new to Lake Community Church or the church in general we know you have questions and we want to get to know you and help you take some next steps to get to know people and be known by people.

Discussion Questions

1. Read all of 2 Peter 3. What kinds of things does Peter want us to remember?
 2. What is a scoffer? What do scoffers scoff in our current culture? When is the last time you have felt like someone was questioning your faith?
 3. Why do you think it is important to realize that Christ is returning? How would you live your life differently if you knew he was coming back in a week? What would you do? Why don't you do that now?
 4. What does it mean to "make every effort to be found spotless, blameless, and at peace with him?"
 5. Read 2 Peter 3:17-18 again. What can you do this week to grow in the grace and knowledge of our Lord and Savior Jesus Christ?
