

Welcome to Lake Community Church

We are glad that you chose to be here today. Already on Sunday morning, you have made an important decision, possibly the most important decision of your week. Whether you come regularly or you are just getting started, choosing to seek God and seeking a community of people who are doing the same is likely the best decision you can make because it has potential to change the rest of your week and the rest of your life. So your week is off to a great start!

We would love to get to know you more and help you make some next steps. Whether you are new to Lake Community Church or the church in general we know you have questions and we want to get to know you and help you take some next steps to get to know people and be known by people.

The Christmas Story

Author and artist Carol Heyer has created an exquisitely beautiful rendering of the story of the first Christmas. Here is the young Mary, the richly attired Magi, the protective Joseph, and the roughly clad shepherds gathered round the manger that held the Son of God. This is the traditional story, based on the Biblical account.
