

Welcome to Lake Community Church

We are glad that you chose to be here today. Already on Sunday morning, you have made an important decision, possibly the most important decision of your week. Whether you come regularly or you are just getting started, choosing to seek God and seeking a community of people who are doing the same is likely the best decision you can make because it has potential to change the rest of your week and the rest of your life. So your week is off to a great start!

We would love to get to know you more and help you make some next steps. Whether you are new to Lake Community Church or the church in general we know you have questions and we want to get to know you and help you take some next steps to get to know people and be known by people.

Discussion Questions

1. Read John 13:1-18. Who is Jesus with in the upper room? What are they up there to do?
2. How did most of the disciples respond when Jesus started to wash their feet? How did Peter respond?
3. Why did Jesus wash his disciples' feet? How do you think this affected them later when Jesus left?
4. Is there someone you need to try to serve this week? Who will that be? How will you serve that person this week?
5. How can you model and show others love instead of just being all talk?
