

## Welcome to Lake Community Church

We are glad that you chose to be here today. Already on Sunday morning, you have made an important decision, possibly the most important decision of your week. Whether you come regularly or you are just getting started, choosing to seek God and seeking a community of people who are doing the same is likely the best decision you can make because it has potential to change the rest of your week and the rest of your life. So your week is off to a great start!

We would love to get to know you more and help you make some next steps. Whether you are new to Lake Community Church or the church in general we know you have questions and we want to get to know you and help you take some next steps to get to know people and be known by people.

Discussion Questions:

1. What does the Resurrection mean to you?
2. So what's the big deal? Why do we celebrate the Resurrection?
3. Read Luke 23 and 24. Can you relate to any of the people in the story? Peter? Joseph of Arimathea? The Centurion? The Crowd?
4. How do you think people sometimes minimize the effects or reality of their sin?
5. If what happened to Jesus on the cross is an indication of how God views sin, how does God view sin?
