

# Welcome to Lake Community Church

We are glad that you chose to be here today. Already on Sunday morning, you have made an important decision, possibly the most important decision of your week. Whether you come regularly or you are just getting started, choosing to seek God and seeking a community of people who are doing the same is likely the best decision you can make because it has potential to change the rest of your week and the rest of your life. So your week is off to a great start!

We would love to get to know you more and help you make some next steps. Whether you are new to Lake Community Church or the church in general we know you have questions and we want to get to know you and help you take some next steps to get to know people and be known by people.

## Discussion Questions

1. Read Ecclesiastes 11:1-6. What is the predominant illustration that is being used? Why do you think Solomon uses agriculture as the main analogy?
2. Do you ever find yourself stuck in trying to figure out the best way to go forward? How do you weigh the risks?
3. Can you think of a time when you didn't do something because you didn't know how it would all turn out? How do you know when to risk something and when to hold back?
4. Read Ecclesiastes 11:7-10. What are the different imperatives (command words) used in these verses?
5. What does it mean for you to follow the ways of your heart?
6. How do you deal with anxiety in your life?

Reading for next week: ***Ecclesiastes 12***
