

Welcome to Lake Community Church

We are glad that you chose to be here today. Already on Sunday morning, you have made an important decision, possibly the most important decision of your week. Whether you come regularly or you are just getting started, choosing to seek God and seeking a community of people who are doing the same is likely the best decision you can make because it has potential to change the rest of your week and the rest of your life. So your week is off to a great start!

We would love to get to know you more and help you make some next steps. Whether you are new to Lake Community Church or the church in general we know you have questions and we want to get to know you and help you take some next steps to get to know people and be known by people.

Discussion Questions

Read 2 Timothy 3:1-9

1. Read through the list in 2 Timothy 3:2-5 again. Where do you see these in our culture today? How do you prepare for these realities? How do you see people misplacing love? Do you see a decline in family values? Do you think our culture is becoming more hostile or less hostile?
2. Do you think we are living in the last days now? How does that affect the way you live today?
