## Discussion Questions

### Read 2 Timothy 2:14-26

1. In these passages, how many times does Paul warn Timothy to be careful not to argue or quarrel with others? Why do you think he does this?
2. In 2 Timothy 2:14-15, Paul encourages Timothy to be an “approved workman.” What does this verse mean in the context of the other verses in this passage?
3. Have you ever found yourself in a stupid argument? What was it about and how did it end? What are some examples of arguments we should avoid?
4. When should we stand our ground or put stakes in the ground about something? How do we do this?
