## Your Testimony

### Preparing a Testimony to Individuals or Small Group

Telling your testimony in this context can be used two ways. First, if you are speaking to Christians you are basically telling them your story. In this context, you could take anywhere from 1 minute to 30 minutes, but do find out the time context from the group's leader.

The second way your testimony can be used in a small group or person to person context is in an evangelistic way. The purpose here is to be a witness for what Jesus has done in your life. Anyone can argue with your beliefs, but nobody can argue with your personal testimony.

In order to be effective in sharing your testimony with non-believers, know your story of what Christ has done in your life well. Sometimes the details of how we came to Christ can become a little fuzzy. Think through it and know the major events.

### Preparing a Testimony for a Large Group

#### I. Why prepare a personal testimony?

- a. A careful organization insures that your testimony will be clear, simple, and attractive.
- b. Common objections to a prepared testimony are that it will be canned, stiff or unnatural. However, a prepared testimony will:
  - i. Free you to be yourself.
  - ii. Keep you from being repetitious.
  - iii. Enable you to always cover the points which you feel are the most important.
  - iv. Enable you to be brief.

#### II. How to prepare a personal testimony

- a. Do
  - i. Ask the Lord to give you wisdom and guidance as you prepare.
  - ii. Consider following this three point outline:
    1. Life before knowing Christ.
    2. How you came to know Christ.
    3. Life after you received Christ.
  - iii. Emphasis main points

- iv. Begin with an interesting, attention getting sentence and close with a good conclusion.
  - v. Speak in such a way that others will feel associated with you in past and present experiences.
  - vi. Give enough detail to arouse interest, but don't concentrate on the old life to the point that it takes away from the ultimate goal which is the glory of God.
  - vii. Use Scripture verses.
  - viii. Edit carefully and change as necessary before you give your testimony.
- b. Don't
- i. Use Christian jargon. Words such as: saved, convicted, converted, born-again, etc. do not communicate truth to the average non-Christian. Remember your target audience.
  - ii. Be too wordy, beat around the bush, or glorify how bad you used to be.
  - iii. Speak in glittering generalities.
  - iv. Mention church denominations, especially in a negative way.
  - v. Speak critically or negatively about another individual or group
  - vi. Give the impression that the Christian life is a bed of roses.
- c. How to present a personal testimony
- i. Before sharing your testimony:
    - 1. Pray that the Holy Spirit will empower you – Eph 5:5-18; Acts 1:8.
    - 2. Be very familiar with your testimony and practice it.
  - ii. While sharing your testimony:
    - 1. Speak loudly and clearly in a natural, relaxed voice.
    - 2. Avoid mannerisms when you speak, such as: rubbing your nose, swaying, clearing your throat, using “uh's” and “ah's”.
    - 3. Avoid arguing and other high pressure methods of getting a “decision” for Christ.
    - 4. Avoid preaching at people.
    - 5. Smile!!!
